

**UPGRADE TO A FULLY INTERACTIVE  
GAMIFIED "BALLISTIC BARRAGE"  
BALL ARENA TARGET/SCORE CHALLENGE  
EXCLUSIVELY BY IPLAYCO!**

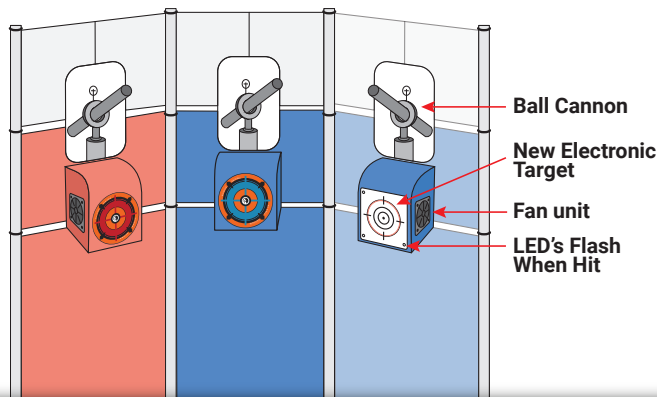

Load up your ball blaster and choose your team "Blue or Red" and simply shoot targets to help your team get the high score as fast as possible. 2-minute game cycles will "Autostart" after each 2-minute game. The new game challenge starts once the first target is hit and players begin the next game. Great for general free play where guests choose what colored targets/team they want to join, and a challenging event for teams, groups, parties, or special events. Simple enough for guests of all ages, and takes your new or existing "Ballistic Ball Arena" to the next level.

## **SPECIAL OFFER**

*Free installation of your "Ballistic Barrage" system when you order and install one of our Ballistic Ball Arenas.*
